

Walkers – turn onto Chester Village Drive and continue to the Village Green as shown above. Once at the Green, stay on the Green and out of the road.

Vehicles needing to disband - turn onto Chester Village Drive and continue into the Chester Library parking lot to disassemble.

Vehicles not needing to disband – 2 options...1st option, you can turn onto Chester Village Drive and continue around the Green to see the few spectators at the end. After going around the green you can continue on Centre Street to the light at Walgreens to leave. This will take you longer to get out due to traffic. 2nd option, continue on Rt. 10 as shown above but **please drive slow** until past Centre Street as spectators and children will be in the area.

Tractor Trailers – stay to the left side of Rt. 10. Stop on Rt. 10 in front of Walgreens to allow riders off trailer. Once the vehicle can safely travel on the road, go around road block continuing on Rt. 10. Please disband quickly as other groups needing to disband will be coming and the road will need to be opened.

Tow Truck Train - stay to the left side of Rt. 10. Stop on Rt. 10 in front of Walgreens to unhook. Once unhooked, go around road block continuing on Rt. 10
