## PRESIDENTIAL VIEW

Paraphrased from "The Secret". One day a friend asked, "How is it that you are always so happy? You have so much energy, and you never seem to get down." I smiled and said, know the secret! "What secret is that?" I'll tell you all about it, but you have to promise to share the secret with others. The secret is this: I have learned there is little I can do in my life that will make me truly happy. I must depend on God to make me happy and to meet my needs. I have to trust in God to supply according to HIS riches. I have learned most of the time I don't need half of what I think I do. He has never let me down. Since I learned that "Secret", I am happy.

Kiwanis International is a global organization of volunteers dedicated to changing the world one child and one community at a time.

The questioner's first thought was "That's too simple!" But upon reflecting over his own life he realized how he thought a bigger house would make him happy, but it didn't! He thought a better paying job would make him happy, but it hadn't. When did he realize his greatest happiness? Sitting on the floor with his grandchildren, playing games, eating pizza, or reading a story, simple gifts from God.

Now you know it too! We can't depend on people to make us happy. And now I pass the secret on to you! So once you get it, what will you do?

Kiwanis is simply an outlet to give back to those around us. Studies show that volunteers live longer, happier, and healthier lives. Lives with a purpose. So a hearty THANK YOU to all for helping those around you and making your own life better as a result. You guys 'n gals are great!

**May God richly bless your day,  
Dixon**

Chairperson  
Joan Benton is finalizing the planning stages, lining up vendors and securing permits. Our community businesses have pledged

their continued support. Their financial support will cover our fixed costs. Thus, every ticket sold is a direct contribution to our budgeted community service commitments.

**Now it is our turn. Time to think about selling those tickets.**

## 91st ANNUAL CAPITAL DISTRICT KIWANIS CONVENTION

AUGUST 21 – 23, 2009  
Dover, Delaware

*See the club website for registration forms.*

Hello to all Kiwanians of the Capital District from the DelMarVa Region. Your 2009 Convention Committee is busy planning this year's convention and we are looking forward having you 'Stop Over in Dover'.

**Charles Marks, DCON Chairman**

## Message from the Governor-elect

**Don Dudey**

I am proud to be Governor-elect of the Capital District for 2009-2010 and I would like to outline my four major goals for this coming year.

## Goal 3. Club Growth

You know the numbers, 255,000 Kiwanians worldwide, 6,865 Kiwanians in the Capital District, and 15 to 235 Kiwanians in our individual clubs. Is this number growing, stable or decreasing? Well, unfortunately the numbers are decreasing in many communities. If we want to accomplish all of those service projects your club has planned and supporting all those Service Leadership Program clubs you have committed to, you need to increase your membership numbers. Is your club welcoming to visitors, so they would want to return? Is your club active in the community and does the community know it? Do you have a diversity of members in age, sex, race, religion or origin? Is the most important part of your club activities geared toward your service projects or is it to have a meeting, eat a meal, have a program and go home?

These are all questions we as Kiwanians need to evaluate today. How is the public looking at us in regards to what we are, what we do, and would they like to join such an organization? Time is a major issue to the public today. Between working 40-60 hours per week, raising a family that requires various amounts of time, involvement in other activities like church or other organizations, there is only so much time in a given day or week. We have to look at ourselves and say, would someone want to join us? What do we have to offer a prospective member?

Kiwanis International has developed some new ideas about what the structure of a club is and how its members participate in that club. Some of these new ideas are family membership, corporate membership, past Service Leadership Programs memberships, Company-based clubs, club satellites, affiliates clubs and family clubs. All of these are ones which Kiwanis International, your Capital District and your LTG's are exploring on how they can be implemented in our division and community. For more information on these you can contact your LTG.

## Chester Kiwanis Concert on the Green

featuring the U.S. Army Ft. Lee Band

For the eighth year, the Fort Lee 392nd Army Band held a free concert held at the Chester Village Green.

This event was co-sponsored by the Village News and the Kiwanis Club of Chester to thank our community for their ongoing support. Hats off to cub members for putting this event together:

1. Co-chairs Marshall and Danny are to be congratulated for a near perfect event (next year – no trains please). Co-chair Danny for his usual great emcee job and for hosting/contracting the band and Marshall for implementing the Plan.
2. Village News & Mark Fausz for great front page article and large ad in Monday's paper.
3. Walt & Ed....for transporting and setup / take down of the 3 loads of stuff used for concert....
4. Lemonade Captain Gary with able assistance from Noelle, Dixon, Phil Crow, Hank, Tom & others who pitched in to help with lemonade stand.

5. Dixon, Joe, Bill Rhea, Hank, Tom S & Tom W and many others who helped load and unload Lucy Corr patients.

6. Dave Elswick...for great PR work and for inviting several nursing homes to our event.
- 7 Rick, Noelle, Danny, Ed, and ALL who mingled with our Army band members to thank them and make them feel welcome. It appears, from talking with them and their leaders that they really enjoy coming to our event in Chester.

A nice, enjoyable, home-town Kiwanis evening made possible by all of you.
