- PROGRAM BILL SINK, one of our newest members, gave the club an interesting talk on some of his work experience and combined hobby interests (including pictures of an elaborate railroad setup which he built while with the railroad and a discussion on the making of porcelain sculpture....an art on which there is very little printed material and where experience is gained primarily from much trial and error). A good program from the new chairman of our youth activities center.
- ATTENDANCE WOEFUL. 18 members or 55% attended including 9 members from the BLUE TEAM (60%) and 9 members from the GOLD TEAM (50%). Where was everybody????
- GUEST Mr. John Waddill, an engineer with Vepco, was the guest of John Williams.
- INTERCLUB The Ashland club was represented by Messrs. Vaughan, Dike, Steele, Turner, & Kuale.

COMMENTS FROM PRESIDENT JOE

Congratulations to GARY FISHER on his recent promotion. As many of you know, GARY has been promoted and transferred by Phillip Morris to New York City where he will be in charge of all the training programs for his company. GARY will be leaving the club at the end of May. GARY added that he plans to leave the club in good financial shape as a result of the upcoming movie program and several other money-making ventures which he will institute before he leaves.

Congratulations are also in store to BILL MCMULLAN, who has been promoted and will be transferring to Columbia, South Carolina within the next month. BILL is with the John Harland Company.

Needless to say, we will sorely miss the services and friendship of these two INVOLVED KIWANIANS. GARY has been serving as our Vice-President and BILL as our Treasurer---both have done commendable jobs in this our first year.

I want to strongly encourage each of you to think of new "blood" that we can bring into our club...offer their names to the Board for approval. We will always be losing good members, especially in a locale such as ours with heavy industry. The only way that we can develop and GROW is to bring in new members who are interested in being of service to their community. WE WILL BE LOSING ALL OF OUR PRESENT OFFICERS BY ELECTION TIME. We will need new LEADERSHIP. Step forward and get even more involved. WE NEED YOU....NOW.

Thanks again to DAVE WHITLEY & JOHN WILLIAMS for that great LADIES NIGHT.

An outstanding job, fellows.

What are your feelings on a dance in late April or early May. Express your ideas at our next meeting (either the BOARD meeting at 6:30 or the DESSERT meeting at 7:30 p.m.)

Dr. William Eagles, the President-Elect of Kiwanis International, will be our guest speaker on the night of our 1st anniversary-March 26th. Let's have 100% attendance in support of our club's first year and in recognition of Dr. Eagles being with us.

I attended the Petersburg Breakfast Club's organizational meeting last Wednesday at 7:15 a.m.---there were 35 members there. We should be planning a LARGE delegation to attend their CHARTER NIGHT on the 28th of April.

AGAIN I URGE OUR NEW LEADERS TO STEP FORWARD NOW.

COMMITTEE CHAIRMAN REPORTS ARE DUETURN IN TO GUY SMITH OR DAVE WHITLEY BY OUR NEXT MEET

See you Monday night!
