MAJOR EMPHASIS PROGRAM

THE YOUNGER YEARS - THE GREATER YEARS

Though at opposing ends of life's span, these two periods are the focal points of our Major Emphasis Program this Kiwanis year. Chester Kiwanians and our club-sponsored Key and Keyette organizations have capitalized on existing club functions to perform services in these areas. Monthly visits to the Detention Home, the transporting of Nursing Home patients to Travelogues and Keyette visits to the Nursing Home have carried the Chester Major Emphasis Program rather well thus far. As Chairman, I am pleased with the "point results"; however, each of us should realize that when at least thirty percent of our members actually participate in a M.E. project, the club earns bonus points. Through June, our point total was 451.

BRAVO, CHESTER K's

Guy Smith
Chairman

DETENTION HOME - On Thursday, July 22, seven Kiwanian's, M. Henry, B. Price, K. Cumming, G. Smith, C. Joyner, John Clark and H. White visited the C.C.J.D.H. for a softball game. Rumor has it that Marshall arrived on-time (early?) for a change. Don Both of MacDonaldis furnished Big Mac's, fries and cokes for dinner. After 1-1/2 hours of playing softball three large watermelons were consumed by tired Kiwanians, Staff and the youngsters. This was our best participation to date on this project. A few more members and we would have added some bonus points to our Major Emphasis Program.

CAPITAL DISTRICT CONVENTION - The 58th Annual Convention-Capital District Kiwanis International will be at Hotel duPont, Wilmington, Delaware August 26-29. Make your reservations now. As I recall the dining room in the hotel is very fancy with excellent food.

TRAVELOGUE - Tickets have been ordered and should be available within a week to 10 days. G. Peoples is currently contacting merchants for advertisement on the program.

PERSONALITY PROFILE - Jim Hyler joined our club in January 1975, and is currently serving as Program Chairman. He is a former member of the West End Richmond Club. Jim received his B.A. at the University of Richmond, and is employed by C&P Telephone Company. He and his wife, Janice, and two children reside in the Bon Air Area of Chesterfield County.

CAPITAL DISTRICT - CLUB STANDING PAST MONTH

Chester Club Total Points 77. We were in fifth place in the 4th Division. The top club, Victoria-Kenbridge, scored 162 points with 112 on Major Emphasis.

KEY CLUB - Induction 1976-77 Officers at a dinner meeting at the Holiday Inn on Tuesday, August 3 at 7:00 PM. The speaker, Mr. E. M. Andrews, will demonstrate freeze-drying as a means of preserving animals. Kiwanians, their wives and the Keyettes are invited. Dinner will be fried chicken @ \$3.50 per plate. Call Marshall Henry if interested in attending.
