Announcements

DUES - Members are reminded that their 1976-77 dues are due effective October 1. Annual fee \$40.00 payable quarterly, semi-annually or annually.

OYSTER ROAST - November 5 at 6-6:30 on the Koogler Estate. This annual affair for members and guests is a good time to bring along prospective members for an informal get together. Jim Hyler is the man in charge and estimates the cost to be \$5.00 per member.

DETENTION HOME - Remember October 28 is the date Glenn Westermann will bring in a Gospel Rock Group for entertainment. Refreshments furnished by the Club. G. Smith, B. Price and John Clark have volunteered, so far, however, we need more members on this project.

B-O-D MEETING - President Byron Price presided over the first BOD Meeting with the 1976-77 Officers on October 13. Some of the topics discussed and action taken included the following: A ten event 1976-77 calendar was presented by G. Smith. These included the Detention Home-Last Thursday each month; membership review - March and August; alternate meeting dates-for holiday conflicts; BOD meeting-one meeting in January at the Community Center; Pancake Day-Mach 5 (our best fund raising project in 1976); Spring Fling - Friday, May 20; Kiwanis Family Picnic - July 4; Pig (Kaboom) Roast - Early in September, like the 10th; Oyster Roast - Nov. 5 and possible Xmas. season visits to the Detention Home and Nursing Home. Each member will receive a copy of the finalized calendar in the near future.

In addition to the calendar members will soon receive a new roster and list of committee members. E. Rice reported on the community center's financial status which sounds very stable (\$5,000 + Assets). There was considerable discussion about the need for our club to make more use of the center. Bill Koogler's 1976-77 budget, as amended, was approved. The

total dollar value is about \$4500 or \$2000 more than last years. We'll need plenty of club involvement to meet this goal. The BOD voted to support a little league baseball tournament in late July or early August as presented by G. Peoples. This new project has very good financial potential, as well as, an opportunity for Chester Kiwanis to contribute significantly to youth activities in this area. The BOD adopted the following attendance policy: Any member who misses four (4) consecutive meetings (or attendance qualifying functions) will be notified, and if he misses two (2) more consecutive meetings his absenteeism will be reviewed and acted on by the BOD. It was agreed that the club would continue to meet at Holiday Inn during the 1976-77 year. Let's face it, if the Kiwanis objective was Gourmet Dining all the clubs would be in trouble.

INTERCLUB - October 13 Billy Johnson, Bob Farmer, Phil Redman and Joe Hillier scored one at Emporia. Billy reported that he is looking for another this month at the West End or Downtown Clubs.

SPONSORED YOUTH - Key Club meeting is 7:00 PM October 28 at Thomas Dale. Concession stand workers for October 22 are P. Redman and John Clark with P. Redman and H. White manning these posts on October 29. Keyette Club meeting is 7:30 PM October 27 at Thomas Dale. Concession stand attendants for October 22 are B. Cosnell and D. Swift, with C. Joyner and L. Beggs dispensing the bubbles on October 29. Kiwanians on the first shift should arrive about 6:45 PM at the "Pass Gate" at the tennis courts with the second shift due at half-time.

COMMUNITY CENTER - Bingo Nite 7:30 PM. Members assignments as below:

October 20 - H. Dvorak & J. Hiller

October 27 - H. White & ???

Needed - Another Kiwanian on the 27th
Let's think about having a Kiwanis Club Bingo Nite. An informal get together of Kiwanis members, with or without wives, to play bingo one nite this fall would be an excellent demonstration of our support of the Center
