PRESIDENT'S VIEW

August 17, 1988 7:30 a.m.

WHAT'S WRONG GUYS?

Is it too hot for you and that's why you're staying at home? Attendance at our regular meetings is not what it should be and the number of members that are eating is below the minimum. We guarantee to pay Brocks Barbeque for at least twenty meals. What would it take to get you out?

9:30 p.m.

I was not able to finish my view this morning and will do so now.

WHAT HAPPENED ??

I don't know, but I wish that someone would tell me. This evening at our regular meeting we had one of the largest turn outs in quite some time. And you know, it was also one of our best meetings. O.K. I'll take back my first comments, but only if you continue to turn out in the numbers that you did tonight. THIRTY members, FOUR Hopewell inter-club, and TWO guests!

Ten members attended West Point Crab Feast on August 9th and ate every crab in sight! I have the figures to prove it: Byron Price, Phil Crow, Dick Goyne, Hank Dvorak, Jim Cole, Dave Jones, Al Schlimme, Buck Porter, Billy Johnson and Joe & Susanne Hillier.

OUTRODUCTIONS ARE IN ORDER

As most of you are aware, this will be one of my final Kiwan-O-Grams and it will be placed in the capable hands of PHIL CROW. The past year has been quite a learning experience for me, to say the very least.

For those of you who have wondered whether I had lost my mind entirely in these newsletters: PROBABLY. But I suppose what I was really trying to do was reflect the spirit of the club as I saw it. That is, a hard-working bunch who perform miracles and still manage to laugh at themselves and have a good time. Hence, the awful puns and all the other nonsense.

My thanks to everybody who helped and to the patient readers who endured it and DIDN'T chase me out of town under a hail of offal and brickbat! I urge everybody to support Phil in the next year. I have a feeling that with the collective minds of RUSS and PHIL, "YOU AIN'T SEEN NOTHING YET!"
