MONTE CARLO NIGHT FEBRUARY 26TH

This year's annual Monte Carlo Night has been set for February 26th. In an effort to improve Monte Carlo Night the Board approved a change in location. We are moving Monte Carlo Night from the dark and dreary Chester Community Center to St. Anna's Catholic Church on Route 1 north of Swift Creek and Colonial Heights. There we will have a nice place to hold our games, a well stocked working kitchen and nice rest rooms. Also the parking is great. We hope that the improved facility will create more participation. If you haven't received your invitations please give Hank Sims a call. Hank Sims is the chairman for this event. Hank and his crew have been doing a lot of behind the scenes work in getting all the initial preparations done, and it is now time for all the rest of us to chip in. Hank will be going around and asking for help in the next week or two in areas of prizes, food and games. We need a good participation of the club to make this a great success.

THE OBJECTIVES OF KIWANIS INTERNATIONAL

To Give primacy to the human and spiritual, rather than to the material values of life.

To Encourage the daily living of the Golden Rule in all human relationships.

To Promote the adoption and the application of higher social, business, and professional standards.

To Develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.

To Provide, through Kiwanis Clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

To Cooperate in creating and maintaining that sound public opinion and high idealism which will make possible the increase of righteousness, justice, patriotism, and good will.

Thanks to Don Beverley

On January 12th Don Beverley gave the club an exciting presentation on his personal history in drag and circuit racing. He also let us in the development of the new race tracks being developed in Dinwiddie County. If everything goes as planned they will be hosting sanctioned National Hot Rod Association races there in a little over a year. These races are estimated to bring over a 100,00 people to the race track.

TERRIFIC KIDS ARE LOOKING FOR A FEW GOOD MEN

The Terrific Kids Program is looking for a few good men to receive the heartfelt gratitude and unqualified love of some well deserving elementary kids. To receive these great benefits, all you need to do is volunteer a few spare hours of your Friday to help pass out Terrific Kids Certificates at one of the local elementary schools. The Kiwanis Club of Chester awards these Certificates approximately twice a month at Curtis, Harrowgate, Enon and Wells Elementary Schools. You can ask anyone who has done it in the past what a great experience this is. If you would like to receive these benefits please give Bill Atkinson a call at 748-7165 and he will be more than happy to help you get involved with some very Terrific Kids.
