The holiday season is approaching quickly. Our Christmas Tree ornaments deserve to be in every Chester home. Our best opportunity is to offer them now. Most people take their trees down shortly after New Years and chances of sales diminish greatly. Now is the time. I have found that most will buy if they are presented the opportunity to see the ornament. If your supply is running low see Buck Porter. If we sell our complete inventory then next year's demand will be even greater. Customers will seek us out and won't that make it easier on all of us!

December is a "BIG" service month for Kiwanis. There are many opportunities to help and ask that each member select one or two activities that you can attend. The club has made a number of commitments, some requiring multiple shifts, and everyone's help will be required. In addition to the service projects, we will make a contribution to the Chesterfield Christmas Mothers Fund.

# Happy Birthday!

2nd - Robert Cassada

4th Linda Krauth

Annual members party at Dr. Joe's office. Request each member bring one of your favorite hors d'oeuvre to feed about 8-10 people. Drinks will be provided and a token (approximately \$5.00) charge will be collected to off set their cost. If we're lucky, we may hear the tale of the ull moose. This Christmas classic (the tale not Phil) is a sure fire ice breaker. Please put Dec 18, 1996 on your calendars.

MERRY CHRISTMAS

Sell those Chester Christmas Ornaments! The time is right! I can't keep enough on hand. I sold one to a woman in my wife's wateraerobics class and 8 others have approached her for ornaments. If you have ornaments and you are not going to sell them than return them to Buck so he can get them into the seller's hands. Thanks.

This is a special edition of the newsletter. There are a few important things that the Officers and Board need to pass on to all.

Committee Chairpersons - please complete your monthly committee reports (that pink multi-copy form) at or after the Members Christmas Party on Dec 18 and turn them into Secretary Joe. [Since the first January meeting is on the 8th and all reports must be postmarked by the 10th, and given Joe's prowess with the typewriter, early submission is best]

Every Kiwanian has received a copy of a survey from Guy Smith. Please fill it out immediately and return it to Guy at the Members Christmas Party, mail it to him, or drop it off at his house. [The club must sign a contract with HoJos before the new year and your response on the survey will effect that contract.] Thanks for your consideration and promptness.

Thanks to all those that participated in the can food collection at Winn Dixie, the coat collection at Wal Mart, and the Angel Tree and Kettle Collection at Chesterfield Town Center. You guys and gals are really special. Special thanks to Tom Krauth, and Tom Considine for taking the lead on these projects and making it happen. A lot of Chesterites are better off as a result of your service.

One last act of Christmas love is available to members who wish to participate in the Lucy Corr Nursing Home Christmas Party. The residents of Lucy Corr have their annual Christmas Party at which entertainment and food are provided by various organizations for their enjoyment. If you would like to assist the Key and Keyette Clubs in moving the residents from their rooms to the hall your time will be greatly appreciated. Time - 6:00 PM, Wednesday
