Happy 25th Anniversary

We hope each member will make reservations early for our twenty-fifth anniversary celebration. The sooner the better to help Guy Smith and his committee plan seating and other arrangements for the evening. If you did not get a reservation form at the February 19 meeting or receive one in the mail, please call Guy at 748-6216. We have confirmed reservations for 26 as of this date. There are still a lot of special Chester Kiwanians that have yet to commit. Please decide in favor of attending as all Chester Kiwanians, past and present, are *Special*. If you would like to sponsor a dish of hors d'oeuvre (yes I had to use the dictionary) at a cost of \$38.00 please contact Guy. Don't miss this celebration as there won't be another to rival it in scope and grandeur until 2022! If you have any Kiwanis memorabilia that you would loan to adorn our displays board please contact Rick Dodson at 748-8432. As always, Thanks for your support.

New Members

Please welcome our newest members; Edward Robbins Jr., Ronald Hargrave, and Steven Miles. These great additions to our club were sponsored by, respectively, Paul Schindel, Buck Porter, and Guy Smith. Our new members come from various professions which include legal, State, and engineering. Your challenge as members is to determine which is a Lawyer, Civil Engineer, and Program Director. If all else fails the direct approach (asking) works well.

... the Kiwanian that collected money for a raffle and forgot to turn in the tickets. I checked with my accountant and the Math Department at MIT, they both agreed that raffle participants would have had a much better chance to win if they were represented in the drawing.
