## WEST POINT GOLF TOURNAMENT

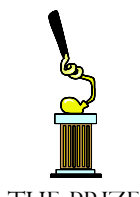

The Chester Kiwanis Contingent played their collective hearts out but failed to bring the coveted trophy to the Chester area. The winning team came in at -11, the second place team at -9, and then the Chester B team at -7. Still haven't heard about the Chester A team. At this writing it has been rumored that they are playing the back nine and should be finished before the start of the new Kiwanis year. President-Elect Chris "I wish I had a Mulligan" Wyndham made sizable birdie putts on the 3rd and 12th holes. Lt. Gov. Gary Thomson "The Ringer" kept the Chester team in contention with his booming drives and depth chipping. The third member, your editor, managed to get around the course without getting lost. He lamented that it's nice to surround yourself with talent.

### \$\$ DUE DUE \$\$

Semi-annual dues statements were sent to members on Aug 15th and are due to the Treasurer by Sep 15th. Unless special arrangements are made, delinquent members will be dropped from the rolls at the October board

We have just ordered this year's edition of the Christmas ornament. They will be in shortly but don't wait, take orders now and deliver them next month. We need a super effort this year to make up for lost revenue from the cancelled Fall Fling.

Now that the Fall Fling is history, lets put it behind us and enthusiastically look ahead to our next challenge. I would like to thank Fall Fling Committee members Bob, Buck, Chris, Dayton, Ed Robbins, Gib, Julie, Rick & Ron for their efforts. And, all the rest of you who tried to distribute our tickets. Now lets all pull together and work hard to make our Christmas Ornament sale a huge success! We will succeed!

Yours in Service,

**MEMBERS ONLY!**

We are a "members only" club and to be successful we need to concentrate our efforts on building up our club membership. We are the source of new members. If we don't bring them in, who will? New members bring new ideas, new energy, and new contacts that breathe new life into this aging organization. Some one asked you to join, return the favor - bring a friend!

Special Thanks to Craig Organ who has brought some great programs to our meetings. We all know that the success of our meeting depends in large part on the interest generated by our speakers. Craig has done an outstanding job in presenting varied and interesting speakers.

Thanks, Craig
