**July Board Bites**

*taken straight from my notes*

The Club congratulates **Tam Moody** on becoming a grandfather. Son Scott's daughter **Mallory Taylor Moody** was born July 3rd.

**Gary Burleigh** is back! Gary has retired from the demands of public service and now has all the time in the world to spend with the Kiwanis Club of Chester...in public service!

President **Eleanor** and Secretary **Joe** have returned unscathed from the national convention in Miami Beach. Lt. Governor **Don Schroeder** went "all the way" to Key West. Needless to say, we are eager to see the photos.

Four Kiwanians attended the Crewe Chicken Festival. We were hoping more would attend, but nope...four was all that attended. They still made over \$20 K. You do the math. How much were those tickets anyhow?

Howard Johnson's is open again, but no one really wants to go. Plans are to return in September, presumably after the deep fat fryers are broken in.

Committee chairpersons are reminded to get their budget figures for 2000-2001 to Rick by the end of July. President-elect **Bob** will be selecting the committee chairpersons in early September.

No one was more surprised than **Marshal Henry** when two new members actually volunteered to man the Thomas Dale coke shed in the fall. Kiwanians **Luther Dixon** and **Wayne Stuart** stepped up to the job. When they beg for help in the fall, please sign up!

**Joe White** had VDOT drain the ditches around the Kiwanis property. Joe reports the mosquitoes are much better now.

Spiritual Aims Chairman **Dave Lykins** has targeted the Baptist church for a club gathering in September. members are hoping the Christmas Ornaments will be available at that time.

Kiwanians **Julie Hamilton** and **Bunny Crabtree** will be setting up child seat inspections. They plan to hand out brochures on what good seats look like. Maybe Grandpa **Moody** can help!

**Joe Hillier** has proposed Colonial Heights Kiwanian **Bobby Kessler** for membership in the club. According to President **Eleanor**, the convention delegates now allow "snowbirds" to join two clubs. Is Colonial Heights that far south?

If anyone has any suggestions on how to 'spice up' the Chester Kiwanis Website, please send them on to Webmaster **Bunny Crabtree**. Rick has volunteered to scan any photos...no questions asked.

The Plan worked! Spring Fling Chairman **Rick Dodson** proved once and for all that less is more. Bottom line was \$500 more than last year. Lots of members can be proud of their efforts. Ultimately the 'big guy' takes the blame or the glory. This year is definitely glory! Way to go Rick!

*Editor's note: I swear I don't make this stuff up. All of it came straight out of my notes. Anyone who can't figure it out should attend the next board meeting in August. Ed.*
