PRESIDENTIAL VIEW

Fellow Kiwanians,

A few random notes as we approach the end of the administrative year ~ Membership growth and retention has been quite successful. Five new members so far and only two loses. Let's keep up the good work! The more we grow, the better we can serve. ~ Our membership is strong not only in numbers but we have a very high percentage of ACTIVE members. A strong contrast to many clubs and organizations where only a few do all the work. I encourage everyone to stay active in our projects and administration. ~ Despite the lack of a permanent meeting place, our attendance has been good with excellent programs. ~ All of our reporting committees have been active throughout the year. The fact that we consistently place very high (usually first) in Division standings is really only important as an indicator that we are fulfilling our mission of service. ~ Financially, we are strong. Our Spring Fling was the most profitable in years. With the sale of the community center, our foundation now has the beginnings of an endowment and is generating income to be returned to the community. I would encourage everyone to consider contributing to help our foundation grow. It also appears that our tax exemption on the Hotel Yard is now in place. The vision of a community park will one day be a reality. ~ Serving as your President has been an honor. I am optimistic about the future of our club and our community. I look forward to continuing to serve with you as we move into the coming year.

Yours in service, Steve

Spiritual Aims

Spiritual Aims Chair Dave Lykins organized the attendance of Kiwanians to Sunday worship at St. Johns Episcopal Church on August 11th. Thanks to the members of St. Johns, the Reverend Bob Armstrong and Seminarians David & Susan Copley for their warm hospitality and spiritual message. And thanks to the Kiwanians and their spouses that attended.

Programs

Special thanks to Danny Wyatt for the wonderful program he brought to the Club on August 12th. Dr. Billy Cannaday, Chesterfield County Supervisor of Schools, shared his philosophy and the County's value system that is taught throughout its schools. Dr. Cannaday was presented a copy of *America, a Patriotic Primer* by Lynn Cheney. The book was acquired by Nicole Jordan who had all attending member sign the book before President Steve made the presentation.

Who says dedication, hard work and a whole lot of LUCK doesn't pay off? Our own Marshall Henry reached celebrity status when his name was plucked from the water's of oblivion in the Capital District's Ducky Derby. Marshall looks perplexed as he views his prize. Congratulations Marshall. Bets are that the Key Clubbers will help dispose of this at their next board meeting!
