PRESIDENTIAL VIEW

Its not over till its over! BUT ITS CLOSE! As I watch Nicole getting ready for the new year I am reminded of August 2002 when I realized, 'HEY this stuff needs to get done!' Fortunately Nicole is fully immersed in getting her year started on the right foot. Hopefully, if she hasn't approached you yet about serving in some capacity, when she does, we will all be as eager as she is to have a great year. I am looking forward to the last two months of my term and the exciting things yet to happen. The district convention in just a couple of weeks in Maryland and the installation of new officers to just name a few.

Of all the things I would like to push in these last couple of months the one thing that I am most desiring to see is the club net over 40 members by the end of my term. We currently stand at 37 but the likelihood of losing one or two looms over us. I am asking that we all give it the big push to get someone into the club before the end of September. It would thrill me to induct five new members at the September board meeting and/or at the installation dinner. I am sure that each of us know someone who not only would benefit the club, but would also benefit from being a member.

Important dates to remember.....on August 18th we are NOT eating over at Tom's house again so don't be expecting lobster or such (but thanks for the suggestion Steve!), we are eating at my house. Directions to follow once I learn the names to the roads. It is safe to say that we live on the other side of the tracks from Tom's, and not far from Eckerds, where we get all our drugs, I mean prescriptions. We are considering bologna-burgers or some other Southern delicacy. Of course spouses are welcome...if you don't mind them meeting us we sure don't either! ALSO, we are having a LABOR DAY get-together at Dr. Joe's plantation....I'm not sure if he or Suzanne will be there since they've discovered vacations but I'm sure they won't mind!!

Seriously it has been a couple of years since we've done this I think, and it is such a nice event out at Olive Hill, walking amongst history (honestly I'm not speaking about Joe either!), meeting new members and their families. Incidentally, could we have those port-a-johns a little closer, just a suggestion..... See I told ya there was a lot to look forward to doing and for the most part it involves food.....hmmmmmm, this is beginning to sound like a religious experience.

Yearbook for 2003 - 2004

All members please check your current (2002 - 2003) yearbook and make any necessary changes before the new edition is printed. Verify your email addresses as that is a major communications avenue. Report changes to Dr. Joe Hillier at any of the next two meetings or call 748-5008 on email: joehillier@aol.com BUT not later than August 15, 2003.

Congratulations

Tam and Bonnie Moody are the proud grandparents of Thomas Evan Moody, born May 1, 2003 and weighing in at 6 pounds 15 1/2 ounces and 19 inches long. Thomas Evan is the son of Scott and Terri Moody. Scott is a former Kiwanis Club of Chester member and hopefully will rejoin the club in the future. In the mean time, Tam and Bonnie might be spending an inordinate amount of time with Thomas Evan, at least until he names them!

Chef Tom

The July 21st meeting was a social at the home of Dale and Tom Williams. They served up some killer beef-kabobs, corn-on-the-cob, salad, veggies, appetizers and desert. There was a choice of beer, soda, wine and coffee. President Danny, who hosts the next social event in August, was heard moaning, whoa is me that will be hard to top! The weather was mild and drinks and dinner on the deck was a great way to spend a summer evening with good friends. Dale and Tom were very gracious hosts and made everyone feel very welcome.
