President's Comments

Aloha, Joe is in the land of enchantment and did not provide me with any comments for July which I read as license to editorialize on his behalf.

Special thanks to Kim and Jay Slagle for hosting a wonderful cookout on Monday, June 27th. The food was excellent. Salads and deserts were provided by members and the Slagle's provided the meats and drinks. There was a great turnout which included newly inducted members Nancy & Chris Perry and Stacy & Mike Chisholm, and soon-to-be-inducted-member Doug Pawluk and his wife Carol. Kim arranged for tours of an "The Old Brick House" built in 1685 and formerly known as the Richard Kennon home. Kim said she couldn't have done it without Nicole's help which allowed her to return from the beach the same day and still prepare a *Killer Cookout*. Jay the burger and dogs were delicious! Unscheduled entertainment was provided by Chi-Chi the talking parrot. I heard Kim say more than once, "excuse me I've got to go answer the bird". Thanks Jay & Kim for your hospitality. ~ It's been a great month with the addition of new members Bonnie Martin, David Crutchfield and Chris and Nancy Perry. Make sure you take the time to say "Hi" because these are some nice people who we are privileged to have in our club. Don't stop there because there are a lot more good people that need to join us and enjoy the fellowship and community service opportunities. Mahalo, and as Joe always says:

SERVICE IS OUR COMMITMENT; FUN & FELLOWSHIP OUR REWARD!"

If you are interested in publishing the Kiwan-O-Gram let Dr. Joe know. Rick is stepping down after 5 years!

Annual Concert on the Green

The 3rd Annual Concert on the Green was held on Flag Day, June 14th in extremely hot and humid conditions. That, however, did not dampen nor discourage the Army's 392nd Concert Band from Ft. Lee. They played for two hours for the 100 + person's that braved the heat. This co-sponsored Village News and Kiwanis Club of Chester event is a free concert to thanks the community for their support of Kiwanis and the Village News through out the year. The 392nd loves coming to Chester because they are warmly received and individually and collectively appreciated for their musical abilities and their service to our nation. It doesn't get much better than this. Thanks, to all who worked. God Bless America

Kiwanis' Entry Places 2nd in Anthem Gurney Tourney

The VCUHS Health & Exercise Intervention Center gurney, sponsored by the Kiwanis Club of Chester recorded the second fastest time ever [4 min, 8 seconds] in the 7th Annual Anthem Gurney Tourney at Richmond International Raceway, Saturday, June 25th. They also won the award for Most Inspiring gurney. The Gurney Tourney raises funds for the Hospital Hospitality House and VCU Health System's MCV Hospitals whose portion goes to Massey Cancer Center this year. Each organization will receive half of the \$116,000 raised this year. Thanks for the individual and Club contributions. You guys and gals are great.
