President's Comments

I want to thank Rick for expressing my thoughts in the last issue of the Kiwan-O-Gram. He expressed them better than me!

I am very impressed with the quality of new membership. I am most appreciative of those of you who think enough of our Club and Kiwanis, to want to share it with others. You dared to "just ask".

The attendance at our Summer meetings is very gratifying. I give credit to very good Programs and good fellowship. Aren't they two of the key ingredients to a successful club? Keep it up! I want to take this opportunity thank Kim and Jim for hosting the Club to a very nice outing at their home. And, thanks to Nicole for her part in making it a pleasant evening.

Can you believe that Doug Pawluk was our thirteenth new member this year. We have lost three members, however, we have a net gain of ten. Not bad, not bad. I understand that others are in the process of joining us.

President-designate Steve is planning for his term for the 2005-2006 year. Let him know how you would like to be involved. We can look forward to a very successful year led by his dynamic leadership - a fun time for all.

Kiwanis International has given us a new defining description of Kiwanis: "Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time." Sounds like us doesn't it?

If you are interested in publishing the Kiwan-O-Gram let Dr. Steve know. Rick is stepping down after 5 years!

Finally, Susanne and I want you and your families to plan on joining us as our guest to a year-end picnic at Olive Hill on September 24th, from 4:00 - 7:30 p.m. You'll hear more on this from Taylor, Stacy and/or Russ later.

Spring Fling Proceeds to Help Fund the *Kiwanis Family Care Center*

A portion of the funds from this year's Spring Fling will go toward paying down the Division 4, 18 & 24 pledge of \$100,000, the cost of furnishing and outfitting the *Kiwanis Family Care Center*. The KFCC is located on the seventh floor, Pediatrics Department, in the Medical College of Virginia Hospital. Your hard work, under the able leadership of Tom Williams, was responsible for large part for the generous contribution that will be made at our August 8th regular meeting to MCVH. Thanks!
